Rise with the bluebird
Shine like the sun
Now's the time to rise and shine!

In *Rise and Shine*, Raffi and Eugenie Fernandes take you on a spirited "bird's-eye" trip across Canada. Following the morning sun from an Atlantic fishing village to the coastal mountains and forests of British Columbia, children will learn about the uniqueness and diversity of our country as they read and sing along with this title song from one of Raffi's most popular albums.

RISE AND SHINE

Words and music by Raffi, Bonnie Simpson, and Bert Simpson
Illustrated by Eugenie Fernandes

Random House of Canada

Rise with the bluebird,

Shine like the sun.

Now's the time to
rise and shine.

Rise and shine,
The world's been turning
and everyone is waking.

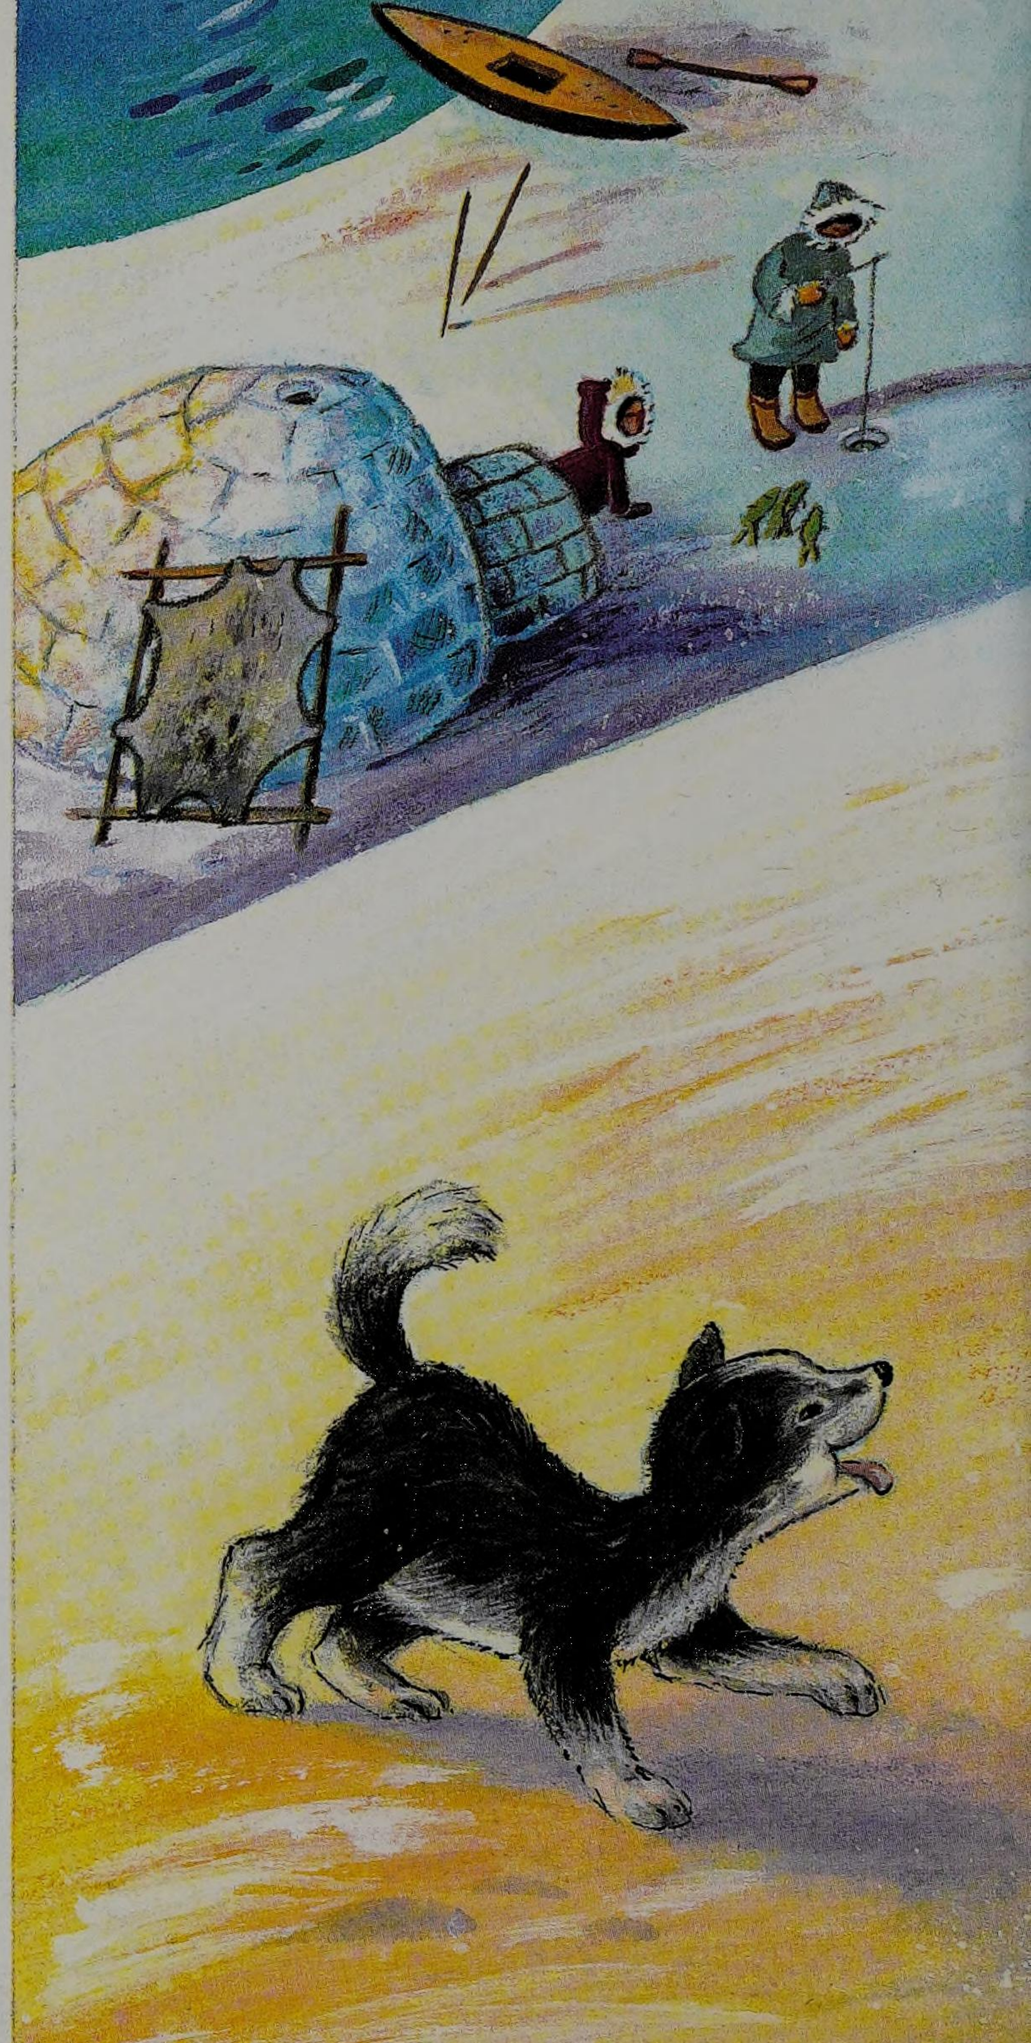
Rise and shine,
On this new day
the morning light is breaking.

Rise with the rest of us,
Shine like a pearl,

Rise and show your love
all around the world.

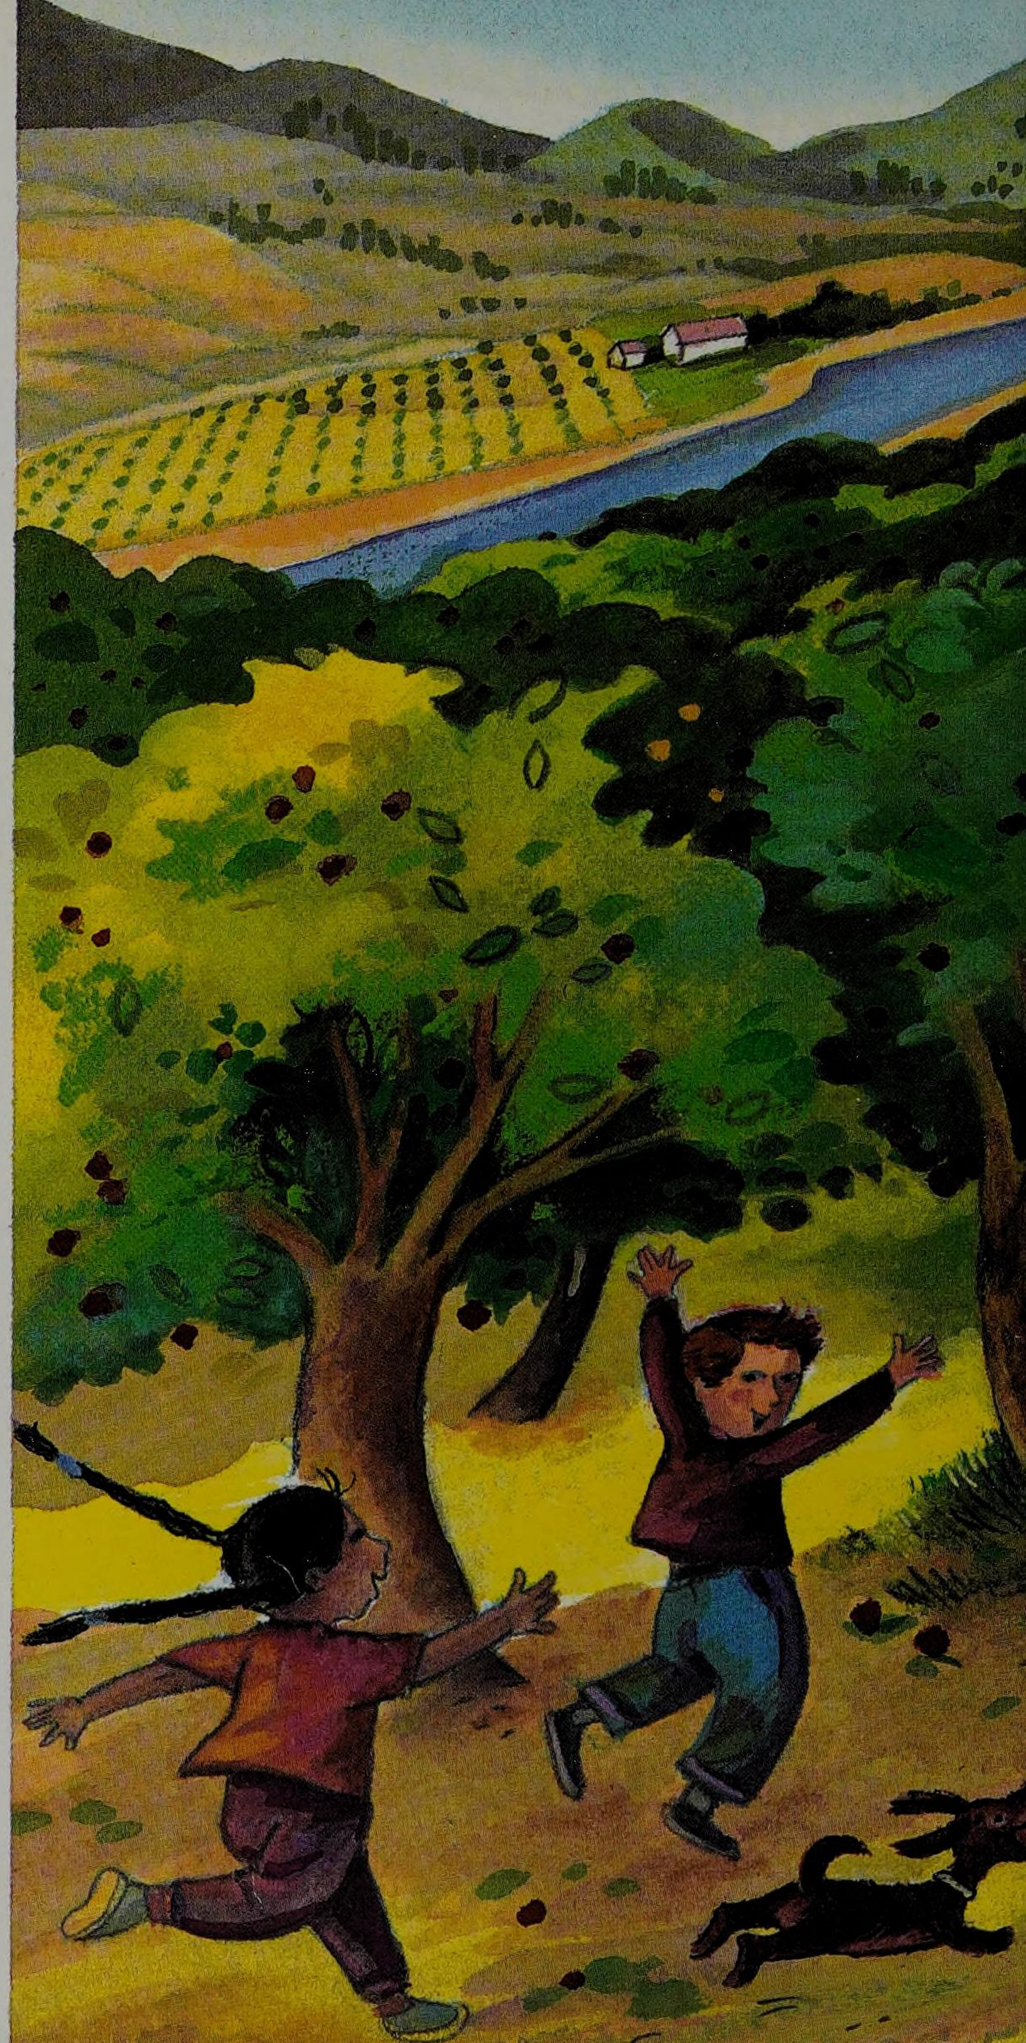
Rise with the bluebird,
Shine like the sun.
Now's the time to
rise and shine.

Rise and shine,
Today is calling
and this is what it's saying:



Rise and shine,
Your friends are waking,

It's time for work
and playing.



Rise with the rest of us,
Shine like a pearl,

Rise and show your love
all around the world.

Rise with the bluebird,
Shine like the sun.
Now's the time to
rise and shine.

Raffi has been known for years as North America's most successful children's recording artist. His live performances, award-winning albums, concert videos, and song-books have made him our premier family entertainer.

Raffi lives in Vancouver, British Columbia. His most recent albums are *Bananaphone* and *Raffi Radio*.

Eugenie Fernandes is from a family of artists, including her father, her husband, and her two children. She has been illustrating books for over twenty years. Among her most beloved are *Waves in the Bathtub* and *The Tree That Grew to the Moon*. She works in a lakeside studio deep in the woods of Ontario.

One of my greatest rewards as a children's entertainer has been discovering how naturally and easily young children respond to music. They love to hear their favorite songs over and over and they quickly become familiar with the words. As children listen and sing, they are learning the concepts that underlie beginning reading: story, sequence of events, rhyme, and rhythm.

The repetition and predictable pattern of my songs make them "singable" and easy for children to remember. The same qualities make them readable, too.

This **Song to Read**® is a natural bridge between singing and reading. Once children know a song, they find it's fun and easy to follow it in pictures and words.

Whether you read along or sing along, this **Song to Read**® will provide both pleasure and real learning. Enjoy sharing it with your children!
